

Louis Miguel Sabaricos

(Aspiring Software Engineer | Computer Science Student)

Concord, CA • (510) 708-4216 • lmfsabaricos@yahoo.com • [GitHub](#) • [LinkedIn](#) • [Portfolio](#)

OBJECTIVE

Driven Computer Science student with a strong passion for full-stack software development. Gained experience through hands-on projects focused on building useful, well-structured applications. Always learning, improving, and excited to work on real-world tech problems while growing as a developer.

PROJECTS

Tribute Page for Gramps (HTML5, CSS3 JavaScript)

June 2025

- Built a responsive tribute site with animations, slideshow gallery, contact form, background music, and legacy stats — focused on making it interactive, clean and easy to use

Multiplayer Poker Game (Node.js, Socket.IO Express, EJS, Typescript, JavaScript)

Jan 2025 – May 2025

- Integrated real-time multiplayer features into an existing poker game, featuring avatar-based chat, image uploads, and dynamic UI rendering using EJS. Collaborated on full-stack logic with Socket.IO and Express to enhance player interactions.

Netflix-Style Database System (MySQL)

Jan 2025 – May 2025

- Contributed to the design and implemented a relational database with triggers, procedures, scheduled events, and validation scripts, mimicking Netflix backend structure and data integrity standards.

2D Multiplayer Tank Game (Java, OOP, Swing, Threading)

May 2024 – Aug 2024

- Built a local two-player split-screen tank game with movement, rotation, shooting, power-ups, and custom UI. Used multithreaded logic for smooth, responsive gameplay.

EDUCATION

Bachelor's Degree in Computer Science: Expected May 2026

San Francisco State University – San Francisco, CA, Aug 2022 - May 2026

Associate's Degree in Computer Science

Diablo Valley College – Pleasant Hill, CA, Aug 2018 - May 2022

CERTIFICATIONS

Responsive Web Design (HTML5, CSS3) FreeCodeCamp, June - 2025

TECHNICAL SKILLS

HTML, CSS3, JavaScript, TypeScript, Java, C++, SQL Node.js, Express, EJS, Socket.IO, Swing, MySQL, Git, GitHub, VS Code, IntelliJ, Data Grip, Code::blocks

ADDITIONAL EXPERIENCE

6+ years of fast-paced food service experience — strengthened communication, leadership, multitasking, and time management skills through customer-facing roles at **Burger King, Dunkin', and Chowking.**
